

Sales Pipeline Review

Document: CTR-2026-6753 · Period: Q2 2026 · Generated: May 26, 2026 · Owner: James Whitfield

Pipeline Summary

This document covers active opportunities across 3 enterprise accounts. Combined pipeline value is \$2,180,000. Two accounts are in late-stage negotiation with expected close in Q2 2026. Risk flag: competitive pressure from incumbent vendors in two of the three accounts.

- Pricing negotiation — client anchored at 714,000 USD

Cross-Account Risks and Mitigations

All three accounts face competitive pressure. Atlas Construction & Engineering is evaluating Procore in parallel. BlueSky Retail Group has procurement involvement slowing the cycle. Acme Corporation needs an executive sponsor briefing before legal approval. Recommended action: schedule a joint executive call with VP Sales and the three champions by end of week.
