

# Sales Pipeline Review

Document: REV-2025-9348 · Period: Q2 2026 · Generated: May 26, 2026 · Owner: Chen Li

## Pipeline Summary

This document covers active opportunities across 3 enterprise accounts. Combined pipeline value is \$2,170,000. Two accounts are in late-stage negotiation with expected close in Q2 2026. Risk flag: competitive pressure from incumbent vendors in two of the three accounts.

| Account                          | Industry                 | Stage      | Deal Value  | Owner           | Close Date   | Risk   |

### Cross-Account Risks and Mitigations

All three accounts face competitive pressure. Nova Health Systems is evaluating Epic in parallel. Titan Logistics Group has procurement involvement slowing the cycle. Atlas Construction & Engineering needs an executive sponsor briefing before legal approval. Recommended action: schedule a joint executive call with VP Sales and the three champions by end of week.
