

Sales Pipeline Review

Document: ACT-2025-5506 · Period: Q2 2026 · Generated: May 26, 2026 · Owner: Chen Li

Pipeline Summary

This document covers active opportunities across 3 enterprise accounts. Combined pipeline value is \$1,390,000. Two accounts are in late-stage negotiation with expected close in Q2 2026. Risk flag: competitive pressure from incumbent vendors in two of the three accounts.

Cross-Account Risks and Mitigations

All three accounts face competitive pressure. Nova Health Systems is evaluating Epic in parallel. Atlas Construction & Engineering has procurement involvement slowing the cycle. Meridian Technology Solutions needs an executive sponsor briefing before legal approval. Recommended action: schedule a joint executive call with VP Sales and the three champions by end of week.
